That
was

the
Eagle
of
Autocam.

I don't
know.

He
had
beautiful
eyes...

So beautiful
and sad...

What's
wrong?
Do you
feel sick?

N-no,
I'm
fine.

I'm
not
in any
pain.

Really?
You're not
pushing
yourself
again,
are you?

You were
really
worried
too!

STOMP

You
couldn't
sit still

until you
woke up,
Hikaru

You were
the
same
first!

Thank
you!

Pu! Pu!

What you
excited about
me too,
Medusa?

Thank
you

As if
This
ball of
fluff

just
stood
and
watched

THE PITCH!

STRIKE OUT!

That's
right. While
I was
trying
to give
you
medusa

he kept
hanging
me in
the

Ip! Ip! Ip! Ip!

Running
around

and just
sitting
in the
way.

MOOOO-
KOOO-
NAAAA...

SHUP
SHUP
SHUP

The pencil
on his
forehead
is yellow?

Discipline!!

Huh?

It's
back to
red.

Was it my
imagination?

Abandon
your
quest for
Cephuro

NO

no
way won't
it

CEPHURO

Why do
you want
to invade
Cephuro?

We will
become
Cephuro's
Pillar and
make it a
wonderland
full of
candy!

Full of
Candy!

That
sounds
fun

We will
make
both
countries
happy!

Wally?

But, what
will
happen
to your
country,
Fahnest?

That is
irrelevant

The
Filar of
Cephro

cannot
love
anything
other than
Cephro

103

If you
let your
heart

...turn
elsewhere

...it will
be
destroyed

Five
thousand

And why do the
priestesses of Chibeta
come to Caparu?

We want
to expand
the borders
of Chibeta!

You plan
to make
Capthano
into a
colony?

You
may
not
think
so, but
if you
insist...

you
will
have to
fight the
people who
live
there

We won't
oppose
Capthano's
people!

Even
then...

Would you
still want
to invade?

If you
won't
willing to
give your
life for
Capthano...

you'll have
a hard
time
becoming
the ruler

And
you?

What
about
you?

I have heard
that the Pillar
of Cepham
upholds the
whole country
with the power
of their will.

It is a duty
you cannot
take on,
unless
you are
willing
to live and
die with that
country.

I know a
little about
Autorum
as well.

The art
surrounding
your
country
is made
for
people
to live in.

Is
Autism
inventing
Cephuro

Because
they
want to
direct the
Pillar System
that allows
the Pillar
to control
its physical
laws?

Or
is it

to make
Cephuro
a new
settlement
for
Autism?

Cephuro
the
place

Would
you give
your life
for this
country?

I understand why
each of
you are
trying
to invade
Cephano.

but we
cannot
back
down.

We will
wait three
hours on
Autumn
time.

If you
return to
and your
mission
of Cephano,
I will
release the
Dreamfield
and the
Invaders.

But...

if you
wish to
continue
the
battle...

Wasn't Eagle
sorry?

Some-
thing's
wrong

He's
hiding
some-
thing
from
us

Huh?

What
are
you
doing?

Use
poison
fruit

Is this
Cephane's
fruit?

Ah!
I've
seen
this
before!

Mikona
produced
some
for us!

SMILE

I
love
it!

BADUM

What's
wrong
Asahi?
You're
bright
red!

It's
nothing!

Oh?

I've met you
before,
haven't I?

How
have
you
been
doing?

Is this
how
the
people
on the
sea
behave?

Every-
one's
helping
each other,
isn't it?

I'm
proud
of you!

Um,
I can't
much.

You
really
gave
credit
to
me?

It
must
be
because
your
heart
measured.

It's
because
of you
Mighty
Knights.

Oh, you!

What
are
you
doing?

STOP

Um...

Have
you
seen
Hikaru?

Get
the
book.

Yes!

TA-DA

My
book
is
back!

You
see
how
I
used
to
be
good
at
this
in
grade
school

As I
thought
There is no
evidence
of a new
Road.

That
means

There is
still no one
in Caprica
capable of
locating the Pillar.

Or...

Is there a
Road that
I cannot
detect?

Even I
don't
know
where
or what
the Road
to the
Pillar is.

The
only
one
who
knows
the
Pillar is

I...

...don't
want to
see the
birth of
a new
Pillar.

Pillar-
Command

This
entry
you
protected
with
your
life

If you
know the
heart
right
now

...would
you
reproach
us?

Or...

It's all right!
I'll be back soon.

I'll see
you later.

PU!
PU!

What's
wrong
guy?

What do
you mean
"What's
wrong?"?!!

We've
been
looking
for you

In the last battle...

you **couldn't** get to the **main** of anything, did you?

All-right

But

...

I **won't** let you go alone! I'm going with you!

What?

But...

I've been doing some scouting with Lafarge

Cephuro's geography keeps changing, so I can't lead you anywhere

But, I'm sure I can be of help

and reporting to Goro Odo on Cephuro's condition

Then I'm going, too

And me of course!

I'll go too!

I can't just wait here! I'll go too!

But but...

Asahi

The bottle is like a story and

How can you go without something to ride on?

Shh!

Shh! You must have something!

Something to ride on!

See what you can do when you help

Shh!

The
whole
Canaan
side
here

For
the
country

...to be
reborn,

it
must
have
a
Pillar.

Is
that
truly

the
only
way
?!

Is
there
no
other
road
?!

RRROARRR

Lantis!

You're
going
back

to
Cyphus

So you
are tied
to

Cyphus's
Pillar
species?

Yes—

Is there
a way?

To become
the Pillar
one must
lead the Road
to the Pillar
and pass
a test.

But only those
capable of
becoming
the Pillar

can lead
the Road

You
intend to
lead

the Road
and
destroy it

Could it take
your life?

I can
do that.

Yes.

Zane
would
have no
luck.

But, this is
not better
than your
Spirit
Animal.

Take an
element.

...if I let
you take
the FTO

Eagle...

It's your
decision.

You must
see it
through
no matter
what.

Was your
decision

the imitation
of Cephia?

Must I

face you
in battle?

ROARRR

The time
has come
Lady
Aria

What
will your
answer to
Autosum
be?

Is that
what
happens
to
Cepharo

when
the Pillar
isn't
there?

That's
right.

Cephano's
Pillar System
is completely
different from
our Fabian
Empire.

The Pillar
supports
all the land
with the
power
of her
will.

She is
like the
land
itself.

Why did
Cephano's
Pillar die?

I don't know.
We had received
no report that
she was sick.

We cannot
tell if it was
an accident,
disaster, or
even if it was
by human
hand.

One day,
she
suddenly
disappeared.

We will
go to
Cephano.

We will
go to
Cephiso.

to find out
why the Pillar
died, to find
out why
Cephiso is
about to be
destroyed.

We must
see the
truth with
our own
eyes.

You
don't
go to
become
the Pillar
of
Cephiso!

We like
Fahren.

We like Old
One and Seryun
and all the
people who
live in our
country.

We could
not only
love
Cephiso.

We must
rule
Fahren!

For that
reason, we
want to
know what
happened
to Captain

No, we **MUST**
know
what
happened!

Are we
being
kidnapped?

You've
grown
up.

We must
ready ourselves
to fight with
Astronave.

We are
wondered if
there is
a fight

with
Asakura,
we will put
everyone
in danger

I think
your
decision
is right,
Lady Aska.

There is
much we can
learn by
going to
Captives

That is why I
believed in
Lord Chinari
and you, Lady
Aska, and
accompanied
you to Captives

Lady
Aska.

We
believe
in you

Please
believe
in us,
too...

Lady
Aska.

Yes!

I will
protect
you, Lady
Aska.

Thank
you.

FROM IMBIBBLE

We're going to England!

Even if we're called intruders?

We
got!

We can't bow
our heads
and leave
just because
Autorem's
commander
told us to!

Oh, my!
Such
courage!

Shall I
guess
what
you're
thinking?

Even
if we
retreat,
Autorem
will
smash
Cephia!

Autorem
is in a dire
situation

They can't
live long
in that
atmosphere

Whether
Autosam is
after Cephiro's
land or after
the Pillar
System itself,

the people
of this
country
cannot
avoid war.

Cephira
is a world
of magic,
where the
power of
will rules
all.

However
because they
have been
at peace
for so long,
they have
no army.

It is unknown
whether they
can win in
battle against
an attacking
army.

There-
fore

You plan
to fight
Autosam.

If it were
you,
you would
talk to the
people of
Capitoto

If they
refused
our wish to
expand our
territory,
then you
would give
up.

But
Antroem

that

who is
willing
to die is
strong.

The only
ones who
can defeat
them

the ones
who know
their own
worth.

It's
true.

Have

made
your
decision?

go to

will
we.

why
is our

in English?

Legend

It's a

country
in our
world.

Did
someone
who was
thundered
by the
Pillar
before

call
them-
selves
that?

No.

I've

THE
STORY OF
THE
POLING

The time
has come
to choose a
new Pillar
for Cephiro.

What
voice is
that?

You
of strong
Hearts,
who have
gathered in
Cephia...

Aska
of
Fahren...

Your Wish
is to create
a world
that turns
your every
imagination
into reality...

However, that
Wish does not
show a strong
enough heart
to become
Cephia's Pillar

Before the
late of
Cephia,

you love
your country
and you love
your people

Tarta
and
Tatra
of
Chizeta.

For your
mother and
father, and
for the
people
of your
world.

Your
Wish is to
make
Lupher's
territory
of your
own
country.

However, your
Wish is still
too weak for
the Pillar of
this country

This is because
you would
not give all
of yourselves
for your
Wishes.

Only the one who
will carve a new
future for Cephire,
with a heart stronger
than all others,
has the Ability to
become the Pillar.

Your
heart is
strong.

To
eliminate
the Pillar
from
Cephro

your Wish
is to destroy
the Road to
the Pillar

You
have the
strongest
heart...

of
all the
people
of
Cephro

You
would give
your life
to fulfill
that Wish.

However...

People really
stranger
beats
than
you...

— here
come
here

The
Road
to the
Pillar
will
now
open.

Those with
the ability
to become
the Pillar,

you will
pass down
my Road
and take
the test!

Where did

To a

To

that the
Magic Knights
call
Earth.

Earth?!

Who
are
you?

I
am the
creator
of this
world.

This
world.

Is
order.

Is
law.

All are
my
creation.

And...

I am
the creator
of the world
you

RRRRRRRR

**FIRE

THOK

Why do
you want
to become
Cephiro's
Pillar?

For
Autozam
?!

No...

That's
not
it

CHAK

I want
to
become
the
Pillar.

Creator
?

That's
right.

I first made
the universe
including
the Earth.

a world of
chaos with
no absolute
rules and
no order

The Will of
all people
carves out
the road to
the Future.

That is Earth

But those
who live
on Earth
are endlessly
fighting.

They
continually
destroy the
land they
live on.

the
world
died.

Therefore,
I built a new
world that
included
Cephus.

Where one
person's will
controls all
in the world.

Then the
one who
ruled the
Major
Knights

...was
Ishidana.

What will
you do with
Captaro when
you have it
for yourself?

I will...

NOBLE

Eagle of
Autocam,
you are
gravely ill,
are you not?

Yes
...

What?!

The
doctors
said that
I wouldn't
last long
enough
to reach
Capitro

I've
used
too much
of my
mental
energy

Autocam
is a highly
advanced
world

By changing
mental energy
into power,
we have
the means
to move
anything

But it
seems that
I have used
too much
of my
Heart...

I'm like a
candle that's
about to
run out
of energy

Soon, I
will fall
into a
deep
sleep.

A sleep
from which
I will never
wake.

I plan to
put Cephuro
to sleep
forever

And only I,
as the
Pillar,
will remain

This
disease will
eventually
stop all of
my body
functions,

but I'll
never
completely
die

It will be like
I am asleep...
never to wake
up again

I'll move
the people
of this
world to
another
country

I will
sleep
forever

along
with
Cephuro

Why?

Why would the
Commander of Autorma

Why would
you...?

To end
Cephairo's
history
along
with it.

When I
found out
I only had
a little
time left,

I
promised
myself...

I'd
decide
how my
life
would
end.

And...

This
is my
Wish.

That is
for your
friend...

Cephelo's
Cat
Lantis?

Lantis?

No,
that's
not it.

I know
Lantis
would give
his life

to end this
world that can
only exist with
the sacrifice
of the Pillar

When he
learned of the
sad end

to the
love of his
brother
and the
Pirates
he had protected

That
was his
Wish

But I

That
person with
eyes

the
color of
Cephano's
ship...

...don't
want
Rams
to die

I
didn't
want to
let him
die...

This is
my own
selfishness,

spoiling
his wish...

I will
become
Cephano's
Pillar for
my Wish

Princess
Emmaback
sacrificed
herself

to
protect
the
people
she
loved

But what
happens
to the
people
left
behind?

Those
who
loved the
fanciest

Those who
thought
more of
her than
anything
else...

What
can their
hearts
do?!

NO CAN DO

What
will they
do?!

Magic
Knight
Hikaru
Shido

along with
Eagle of
Autumn

are
undergoing
the Test to
become the
Pillar

I won't let
Hikaru
face him

all on
her own

Mikona!
Please send
us to Earth
too!

I
cannot
allow
that

Only those
with the
Ability can
go to the
Twining
Place

I don't
care about
any
Ability!

We promised
each other!
No matter
what, we
would fight
together!!

We can't
let Hibana
fight
alone!!

Let's go
back
together
to
Cepturo

The
people
who
love
you

are
waiting

If you
become
the
Pillar,
Lentia

would

He
always
looked
sad

You
are the
same.

Right.

You
have the
same red
eyes...

You really
like Lantis,
don't you?

And
I'm sure
Lantis
likes you

Phoenix
Emmett
and
Zagato
were
the
same

But
They
had
to
end
like
that

I don't
want to see
anyone
cry for
losing a
loved one...

I don't
want
anyone
to be sad
again

over
again...

And

I want...

FIN

...to
NEVER...

REGRET
MY
ACTIONS
AGAIN?

ROO AIRRDR

A road leading
Cephiro
and Earth

The
first
Piker...

HIGHER!

A
new
road
has
opened

Eagle!!

What happened to Eagle?

What...?

Those who do not pass the Test to become Filler...

disappear

The only one
who can't turn
that frown to
Captains
is the new Pillar.
The man
without the
ability must disappear.

Let go
of my
hand!

Hikari!

Hikari: People
can't live
alone,
their
own

Cepharel's
Pillar
is
alone

She
might be
able
to do
anything,
but
she's
alone

I
think
that's
why.

... Porcos
Emmawale
fell in love
with
Zagato

I
could
move
on

Because
Uma and
Pau
were
with
me

Because
I'm not
alone,
I can
live
on

With
the
people
I
love

I can
find
happiness

Until
Ford

I'm
coming
back!!

SKSSH

The
new
Pillar,
Hikaru

...as always,
no feeling
Kagami or
Ankokuten

back
with
her

Open
the
Road
to the
Pillar
again!

The
Road
to the
Pillar

is
only
opened
once

But
only the
Pillar
can pass
down
the
Road

As the
rule
both
of
them

will
disappear

6

SHANK

Open
the
Road
to
the
Pillar
again

I don't
care if
you're the
Catcher
or
what

If Eagle
or that girl
from the
other
world
dies...

I
will

kill you!

OPEN
IT
!!

Let go
of my
hand!

Even if I
go back to
Caphra,
I won't live
for long!

At this
rate,
you
will...

That
doesn't
matter
!!

It
doesn't
matter

As
long as
you live
to the
fullest
until
the
end.

For the
people who
you love...

And

—for
yourself

BLEACH

Umm,
Pam,

I
won't
give
up!

Hikaru!!

Hikaru!!

Makarov!
Open
the
Road
!!

Please
open
it!!

SHINNNGG

UM!!

FOOM!

Maya

We
mustn't
forget

We
won't
give
up!

For our
friends

and the
ones we
love

WE
WON'T
GIVE
UP!!

My
name
is

But...

These
Spirits

were
made
to
kill
the
Pillar

We
were
able
to
save
that
person's
life...

with
these
Spirits

You
said
I
was
the
true
Pillar,
didn't
you?

Correct

Then I can
make a
Promise for
this new
world,
right?

Yes.

I think
the idea of
this world
is wonderful.

The
idea of your
team
becomes
power.

But to
put all the
responsibility
for this
world on
one person's
shoulders

doesn't
seem
much

So, with Ursa
and Faw who
fought by
my side,

with all
our dear
friends as
Captains.

—and with
the people
of the
other countries
in this world,
Asimov,
Cham and
Palmer —

I want to take
some
time
to
think

about
what
this
country
needs

We may
not be able
to do
anything

But,
the
few
of us
from
Earth

may be
able to see
something
that
others
can't

...and
what
to do
to
make
it
happy

Do
you
mean

...you
want to
eliminate
the
Filter
System?

Cephano
belongs
to all
the
people
who
love it

The
people
I loved...

...want
that
as
well.

Melkorn,
you
made
Captano

...after
seeing
what
happened
to
Gareth,
right?

That
is
correct.

We
can
understand
why
you
feel
sad,
Melkorn.

We
know
not
everyone
is happy
on Earth
right
now

But,

Clot,
Ramus,
Fino,
and
everyone
in
Captiva

who knows
how Princess
Eternado
will be sad
and, still, wish
for them
with all
our hearts

We don't
want
anyone
other
to
be
mistreated

We
want the
people
we love
to live in
happiness

Love
in
Captiva!

SHRIIINGG

Parsons
Entrusted
loved Cephus
and all it's
people

But she may
not have
believed in
the them
enough

The
Parsons
gave her life
to protect
the people
she loved

but she
didn't allow
them to
understand her
responsibility
or help her
with it

Cephire is
a world
where the
Pillar
controls all.

The
Princess
could have
retained
the Pillar
System.

Instead,
she chose
to die and
continue
the system.

where one
decides
all and
there is an
unchanging
tomorrow.

But the
new Pillar
of Cephire

has wished
not for her
own death,
but the death
of the System.

Without
nothingness
and without
emptiness
there was the
love.

she chose
to share her
happiness and
pain and work
together to build
the future, a
tomorrow
different
from today.

A black and white photograph of a bird's nest filled with several eggs, surrounded by dense foliage. The nest is made of twigs and is positioned in the center of the frame. The surrounding leaves and branches are detailed and layered, creating a sense of depth and enclosure. The lighting is soft, highlighting the textures of the eggs and the surrounding vegetation.

You believe
in the people
you love.

WOOHYY

It's time to go.

I leave
the future
of this
world in
your
hands.

We will
journey
to a new
universe

SHINING

1 Makoto

You were
the one
who sent
us...

was the
Road to
the Pillar,
weren't
you?

Because
you liked
us,
you
decided to
help your
friends

Pu!

A new
Road has
opened for
Cephro

The
Magic
Knights

No

The three
young
women
from
another
world

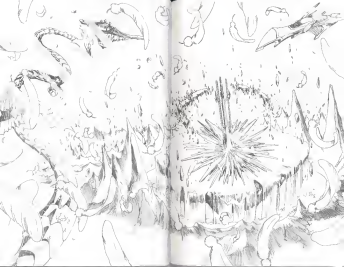

...have
shown
us this
Road...

...to a
true
world...

Where
the belief
of your
heart
becomes
power!

PRESENT

I'm going!

We'll see you later!

Uma has been more energetic lately.

Yeah, I know.

I wonder if she's found a wonderful man...

Just like you Papa.

I hope so.

I'm
leaving
now!

Are you
going to
Tokyo
Tower
again?

Bring
back some
of those
chick
pastries.
♡

I will!

I'm
gonna
be
late!

I'm sorry,
Hikari!

I'll take you
for a walk
when I
get back.

You're
going
out?

Yup,
with Umi
and Fua.

Will
you be
back for
dinner?

Yes!

I will!

Where
are you
going?

A different
world!

?

Tokyo

Tokyo Tower

That's okay
for one
humble
fly, right?

It's so
precious!

Happi-
ness

can't really
be just
one person

I'm
going
to see
Eagle!

Yes,
because
of you
three.

You're
right.

You
always
bring

... my
happiness
with you

YES

I'm all right
Even though
I'm asleep,
I can still
hear your
voice

Garu
Ciel
tells me

But by
your
blush

I'm
slowly
healing
towards
recovery

The belief
in your
heart
becomes
power

This is
such a
mysterious
country

Ciel

Hello

Is your school over?

Have you seen the others?

No, not yet.

Today's Sunday

I wanted to see you first, Eagle.

My friend Gen...

and the Princess from Fabron and Chazeta are coming today

Later, will you take Mikuru to see the others?

our work is all over

Oh!

I can make it myself!

Your
strong
hearts

...
are
exactly
alike.

Wait a
minute

Lantis
belongs
to me!

In your
country,
what do
you say

to
confess
your
love?

Will you
marry
me... perhaps?

marry
me?

It's a promise
to always be
with the one
you love!

Is there
someone
you want
to marry?

Lantis

and
Eagle?

Can you
marry two
people?

But...

I love
both Eagle
and you...

As well as
Lisa, Fia,
Clot, Pina,
Feria, Asrat,
Kardas,
Lalaga...

I love
all of
you!

I want
to be
with
you all
forever!

Your
heart

has made
Captus
a truly
beautiful
place

Every-
one's
hearts

you
mean!

FLAP

HOLD ON
TO IT

THEY TELL
THAT JUST
NOW

It was nothing
To make New
Coplura, we
need your
counsel on
the strengths

Thank you for
taking good
care of our
commander

of Antonia,
Chiara
and Fabien

In return,
you are
researching
ways to stop
the pollution
of our
atmosphere

Nothing
is
perfect

But our
abilities
can
comple-
ment
each
other

It's
wonderful

But... Did that white,
fluff ball really
build this world?
It can't
hold the

I
think

the Creator,
Mikoto, may
have wanted
change

in
Cephano

Hub?

If he
didn't
wish for
change,

he wouldn't
have placed
countless
systems
beside it.

There
was no
need

for the
Majors
Knights to
be from
Earth.

For us
to look
at others.

talk
with
them,
and

under
stand
them.

In order
to build
a better
World.

maybe
that's
what the
Creator
wished
for.

The Spirit
that Hikaru
rode on
was named
Rebirth.

Hikaru says
it means
'glowing land'
in one of
Earth's
languages.

Perhaps
the wish

held
in
that
name

is
for

all
wishes
to be
filled
with
light

That
means

the
very wish
discussed
on the
second
time

The only
one who,
without a
Pillar, could
summon
those from
another
world...

would be
the Creator,
Mikona.

The wish of
the young
women from
Earth, to go
once more

and
change
Cephess
for the
better

moved
Mokona

He may have
believed that
you held the key
to this world's
transformation

Of
course

We're all
friends

Right

We've
started
you!

Have you
thought
of a new
name for
the
country?

Unnan
But yet
it's hard

If you don't
think of
something soon,
we'll get used to
"Former Cephiro!"

I know!!

You decide
the name
for the new
country!

You
who have
watched
over us
from the
beginning!
